AFFAIRS AT HOME.

Court.—But very little business was transacted in Court last week. The Court was in session only on Tuesday, Wednesday and Thursday. In the Common Pleas but two cases were tried, viz:—

Wallace vs. Logan.—Ejectment. Verdict for Deft. Wallace for Plff., Larimer for Deft. J. & G. H. Steiner vs. Robt. Graffius.—Action of Debt. Judgment for Plff. for \$410,41. Wallace for Plff., Swoope for Deft.

QUARTER SESSIONS.

THE "FROG SWAMP" in the eastern part of our borough is a decidedly bad thing. On a warm day, "the rankest compound of villainons smell that ever offended nostril," as Billy Shakespeare says, pervades the atmosphere in its vicinity. The foul effluvia that arises is putting in jeopardy the health of our citizens; for we believe it is a fact that the gases generated in such places, though they are specially adapted to plants and vegetation, are offensive to our nostrile, unsuited to our lungs, and noxious to our system. Some immediate action should, therefore, be taken to have the swamp drained and filled up. The water could be drawn off by underdraining; and charcoal and coal ashes could be spread over the surface, and would answer not only for filling up, but as a disinfecting agent. Whether this would be a practicable mode of proceeding or not, we won't pretend to assert. Some means of removing the nuisance should, however, be employed, and that speedily. We trust the matter will at once be deemed worthy the attention of our citizens.

NEW ADVERTISEMENTS.—Attention is directed to the new advertisements in to-day's Journal. Dr. J. G. Hartswick has located himself in Clearfield. The County Treasurer gives notice that during his absence John McPherson, Esq. will attend to the business of the office. Messrs. Cooper & Mitchell, of Glen Hope, offer to do plain and ornamental plastering. The County Commissioners invite proposals for rendering the jail wall more secure. Samuel B. Diller offers his property in Boggs township for sale. A notice relative to the Estate of Nathaniel Hughes, dec'd, also appears.

MAIL CONTRACTS.—Messrs. Foster & Bradin, of Philipsburg, were allotted the contract for carrying the mail between Tyrone and this place; on the route from Clearfield to Clarion, from Clearfield to Ridgeway, from Clearfield to Snow Shoe, and to Smith's Mills, the contracts were awarded to Messrs. Hills & Evans, of our borough; from here to New Washington, to John Larimer; and from Tyrone to New Washington, to James Crowther.

Gor In.—A young man, flourishing the singular soubriquet of "Corning Bank," got corned on last Wednesday, and, unfortunately for himself, by giving vent to his hilarious feelings, he attracted the attention of the sheriff, who conducted him to private apartments in "limbo." He got off by shelling out a fine of \$3. Rather high-priced corn, that!

THE WEATHER, during the last week, was fine, and gardening and farming operations have been pushed along rapidly. The crops look well and give promise of an abundant yield. The fruit crop will be limited almost exclusively to apples, of which the indications are that there will be an abundance.

MAY PARTY.—The school of Miss Leavy, and a large number of guests, had a pic-nic party on last Wednesday, in the forest beyond Pat. Dolan's. It was a fine affair, and the day being propitious, passed off pleasantly.

CHANGED.—The time for holding the election of the Glenhope and Little Bald Eagle Turnpike Co., has been changed from the 30th of May to the 13th of June. See notice.

Our Town is very dull just now; business of every kind is languid—money scarce—provisions ditto—duns, we believe, are the only thing that is plenty, and nobody wants them.

MARRIED:
On the 22d inst., by J. W. Wright, Esq.,
Mr. STUART COWEN to Miss HANNAH CALDERwood, all of Beccaria township.

On Tuesday afternoon, very suddenly, Mrs. Polly, wife of George Bumgardner, of Bradford township.

The nomination of Mr. Buchanan for President, is just as certain as—falling off a log. Five thousand volunteers are to go to Cincinnati for outside pressure work, all of which are to be allowed ten cents a day. If the "democratic blood" in the veins of any of these recruits gets to be troublesome, they are advised to let it out.—Del. Co. Rep.

A HUMAN LIFE SAVED!

Downglac, Mich., March 11, 1856.

J. A. RHODES, Esq: Dear Sir—As I took your medicine to sell on consignment, "no cure no pay," I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have re-

ceived:

W. S. Conklin told me—"I had taken nine bottles of Christic's Ague Balsan, and continually rundown while using it until my lungs and liver were Congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill.—The doctors too did all they could for me, but tho't I must die. Nothing did me any good until I got Rhode's Fever and Ague Cure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time.

permanent cure in a short time.

H. M. Conklin says: "I had been taking medicine of as good a doctor as we have in our county, and taken any quantity of quinine and specifics without any good result, from 25th August to 17th December. But seeing how nicely it operated on my brother, I got a bottle of Rhodes' Fever and Ague Cure, which effected a permanent cure by using two-thirds of a bottle."

S. M. Conklin was not here, but both the other

brothers say his case was the same as H. M's, I sold the medicine to both the same day, and the cure was as speedy from the same small quantity, and I might so specify. Yours with respect,

A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast number of like certificates I have already published, and the still greater amount that is continually pouring in to me. One thing more. Last year I had occasion to caution the public in these words:—"Indice one firm who have taken one of my general circulars, substituted the name of their nostrum for my medicine, and then with brazen impudence end their pamphlet with the exclamation, Let the proprietor of any other medicine say as much if he dares "he Now I take pleasure in saying that the caution referred to the same "Dr. Christie's Ague Balsam" that is mentioned in the above certificate.

There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Antidote to Malaria, except the certificates of cures, and the certificate of the celebrated Chemist, Dr. James R. Chilton, of N. Y. in favor of its perfectly harmless character, which is attached to every bottle. These will always serve to distinguish my medicine from imitations. JAS A. RHODES, apr23 56-3m. A MARVELLOUS REMEDY

HOLLOWAY'S OINTMENT

BY the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means. ERYSIPELAS, SALT RHEUM AND SCORBUTIC

HUMORS.

No remedy has ever done so much for the cure of diseases of the skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, ulcers, wounds, glandular swellings, and tumors. Professor Holloway has, by command of the Allied governments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the direction of the Medical staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

even of 20 years' standing.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and the Pills should be used in the following cases:

Mercurial Eruptions, Swelled Glands, Chapped Hands, Ulcers, Chilblains, Rheumatism. Venerial Seres, Salt Rheum, Sore Legs, Gout, Lumbago, Skin Diseases. Wounds of all kinds, Scalds, Sprains, Sore Breasts. Sores ef all kinds. Scalds. Sores of all kinds. Sore Throat.

There is a considerable saving by taking the N. B. Directions for the guidance of patients in
